

Your people are your number one resource. Unlock their full potential.

A well trained work force is often the only differentiating factor in today's highly competitive business environment.

Well trained employees are more efficient, effective and satisfied.

Knowledge Universe

Corporate Training Solutions To Develop Employee Capabilities

About Knowledge Universe

A proprietary firm based in Mumbai, started its journey in May 2010 with an aim to cater to the outsourced training needs of the corporate world by way of facilitating an experiential learning environment.

We provide highly interactive training workshops (**in-house, outbound and open forums**) which enable our clients to unlock the full potential of their most important resource - EMPLOYEES.

Till date, catered to the **outsourced training requirements of over 75 corporates from different sectors**.

Conducted **training interventions for over 200 corporate batches (involving around 4000 employees)**, developing employee capabilities on multiple skill sets.

Locations where trainings have been conducted by us include Mumbai, Pune, Delhi, Pithampur, Hyderabad, Bangalore, Chennai, Mysore, Vizag and Dahanu.

Conducted trainings **across wide spectrum of industries** including Manufacturing, BFSI, IT, Infrastructure, Chemical, Engineering & Construction, Retail etc.

Bring the rich industry & training experience of independent professional trainers who add value by:

- Sharing their valuable work experiences in the training sessions
- Bringing diverse knowledge base gained from training in different sectors
- Following highly successful training methodologies which involve participants at every step
- Giving an unbiased feedback and assessment of participants for their overall development

Offer workshops with flexible durations as per the suitability of clients.

Work closely with business units to analyze training needs and then provide a customized training solution.

Training Need Analysis

Know Participant Profiles (Age, Designation, Education, Experience etc).

Assess their existing skill level by Questionnaires and / or One to one meetings with participants & their superiors.

Identify skill gaps.

Get client agreement on a customized course design

Session Plan - Course topics, duration & objectives of session.

Training methodologies as per target audience.

Pre and Post Training Assessments (if required).

Action plan for on the job application.

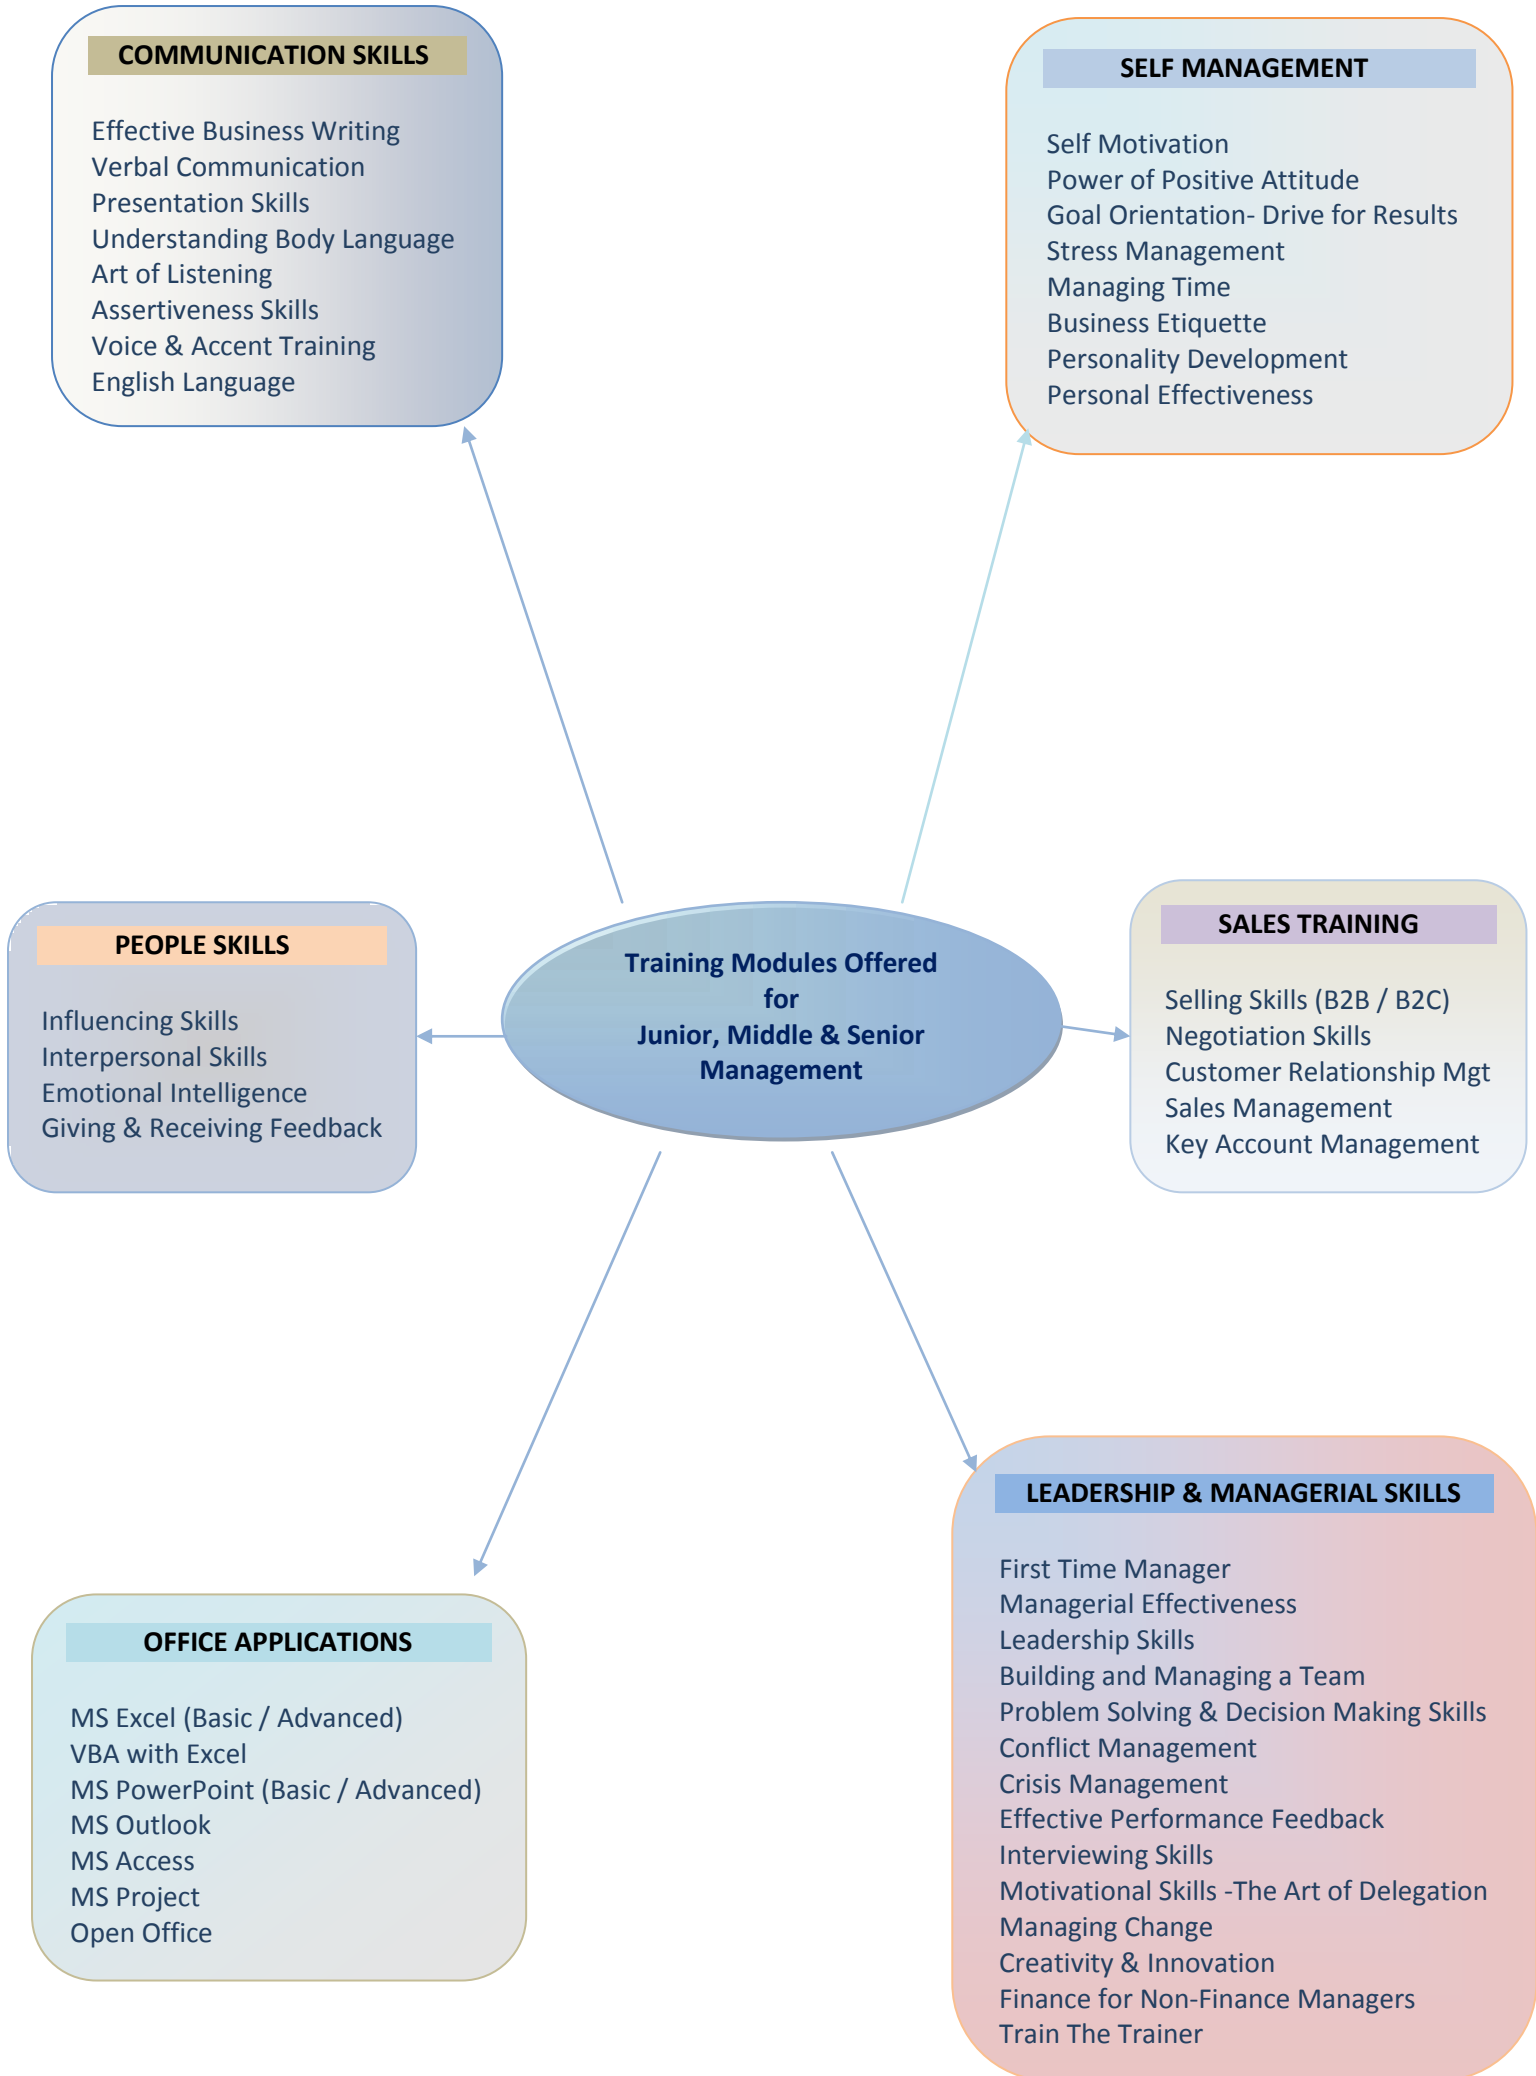

Training Delivery, Feedback & Post Training Follow Up

Participant involvement, their query resolution, driving key messages and meeting training objectives are the main focus areas during training delivery.

Participant feedbacks taken.

Action plan and it's on the job application can be reviewed by trainer after few months.

TRAINING MODULES OFFERED BY KNOWLEDGE UNIVERSE

What our clients have to say about workshops conducted by trainers on behalf of Knowledge Universe.....

"I have personally spoke to everyone and collected their feedback on the training program conducted yesterday by Ms. Clarissa. All of them have expressed that this training program was very good, useful, effective and also practical to some extent. They are kept active throughout the training program with thought-provoking activities, with some lessons integrated. We thank you for providing us with such a good training program."

Srinath Shenoy (HR & Accounts)
Business Access (India) Pvt Ltd.

"Hi Suhel, All have given a very nice feedback on the training program and people have learned a lot and they are planning to implement the same on the shop floor too. Thanks to all your efforts and commitment to the delivery which enabled the success of the program. We thank you for all your support and on-time presence. Looking forward for our continuous interactions and long -term learning relationship."

Amit Wani (Personnel & Admin)
The Paper Products Ltd.

"We would like to thank you for conducting a session by Mr. Victor Rodrigues at our ARK guest house on Motivation through Emotional Intelligence, held on 22nd October, 2010. His session was well received and participants gave excellent feedback about the session."

Dr. Nayana Mendhi (Ex Chief HR Manager)
RCF Ltd.

"The session taken by Ms. Kusam on Train the Trainer was quite impressive. The Participants were able to pick up the tips during the session. Thank you, Regards"

Pradeep M.R. (HR)
Reckitt Benckiser India Ltd- Mysore

"Dear Clarissa, On behalf of The Learning Organization, we express our heartfelt thanks to you for having spared time to share your valuable knowledge and experience during your session on "Planning & Organizing" conducted on 3rd August 2012 at EMI. We would like to extend our sincere gratitude to you, for making this learning an enriching experience for all. The session was appreciated and well received. Thank you for enabling us make a difference. Shall continue to solicit your support."
